

## ***Ideas for starting songs***

1. Welcome to a new day  
Nothing's happened yet  
Make it how you want it  
So you won't regret
2. It's funny you should say that  
But nothing ever changes  
Things may sometimes look the same  
But life just rearranges
3. I'm having a bad day  
You can probably tell  
I'm not feeling myself  
I'll crawl back in my shell
4. If you want to solve the problems, listen and forgive  
Step outside your comfort zone and learn to really live.
5. Don't know if I'm strong enough to face the world alone  
Don't know how I'd cope without the place that I call home
6. I just want to be myself  
Don't know how to be someone else
7. Traffic jam in my head  
Thinking of words I should have said
8. You blow me away whenever you smile  
I just wish you'd stay a while
9. I know I don't always finish what I start  
May be the reason for the space between our hearts
10. This is my mountain, I must climb it on my own  
This is my life, I must face my fears alone
